Copies of the letters read above received from the Collector of South Kanara are submitted to the Government.

2. Out of the staff sanctioned in G.O.No.Ms.635, Food, dated 14-7-48, the Collector of South Kanara retrenched 1 lower division clerk and 1 Upper division clerk attached to the District Supply Officers with effect from 26.8.48. He has asked for the retention of the rest of the staff. The Board considers that the retention of the staff is absolutely necessary as intensive procurement is likely to be reintroduced in the South Kanara district shortly. It, therefore requests the Government to sanction the retention of the staff mentioned in the annexure from 1-10-48 to 31-12-48 or till the need ceases whichever is earlier for Civil Supplies work in the South Kanara district.

3. The Board is permitting the Collector to retain the staff in anticipation of sanction. This may also be approved.

p 130 of (d) Particulars of the staff sanctioned in G.O.No.635 Food department dated 14.7.48 to work under the Dt.Supply Officer from 1.7.48 to 30.9.48 are as follows:--

2 U.D.Clerks; 3 L.D.Clerks; 1 typist and 3 peons.

The Dt.Supply Officer in this district is also doing the duties of the Dt.Rationing Officer. When the staff attached to the Dt.Rationing Officer was ordered to be amalgamated with that of the Dt.Supply Officer consequent on the abolition of the Dt.Rationing Officer's post on 30.10.45 only one U.D.Clerk out of ~~working with the Dt.Rationing Officer was allotted to the Dt.~~ the 1 Upper Division clerk; 3 L.D.Clerks; 1 stenotypist and 4 peons working with the Dt.Rationing officer was allotted to the Dt.Supply Officer's office. Out of the remaining, 3 L.D.Cs were allotted to the 3 Rev.Divisional Officers' offices in the District and the posts of 1 stenotypist and 4 peons were abolished. A statement showing the number of current papers received in the Dt.Supply Officer's section during each of the last three years etc. called for in para 2 of the Board's reference cited above is attached. There are still two statutorily rationed areas in this district the work relating to which is considerable. The work connected with the opening and inspection of the relief shops which number 587 is increasing every day. The no. of currents shown in the statement is exclusive of periodicals which are 45 in number. The business of the office has not decreased to any appreciable extent even though the intensive procurement scheme has been discontinued. The existing ~~establishment~~ staff (two U.D.Clerks, 3 L.D.Clerks, 1 typist and 3 peons) is the minimum need and there is no scope for retrenchment.

Sub: Establishments- South Kanara district- Civil Supplies staff- retention. further report. submitted.
Ref: Bd's Ref.No.F.II.109515/48. dated11.9.48.

The conditions which existed at the time when the extension of the Civil Supplies staff was last sanctioned have not changed. The control over the existing relief shops in the district and the distribution of the controlled commodities such as Kerosene, Cement, iron and steel etc involve considerable work in all the subordinate offices, To cope with these items of work the further continuance of the existing staff as already recommendedd is essential. These items of work or any portion thereof cannot be assigned to the general establishment which is already over-burdened with heavy work. the result of the after effects of the war and the various schemes under taken by the Government post war. Hence it is not possible to effect any reduction in the staff of the Taluk and the Sub Taluk Offices.

2. I have also examined carefully the strength of the temporary civil Supplies staff in the other offices, i.e. the Collector's office, the District Supply Officer's office, and the Revenue Divisional Offices. The nature and the volume of work involved do not admit of any reduction being effected now.

3. Under the circumstances I recommend the continuance of the staff till 31.12.48 as already reported in this office Ref:C.No.15135-48.A1. dated 9.8.48.
